

CHOOSEN ROY MORGAN VALUE SEGMENT

Basic Needs Roy Morgan value segment are often people in their “twilight years”, which means they are mostly retired and pensioners. They do not desire for more or aim for a glamorous lifestyle, but aims for a slow-paced, peaceful and secured lifestyle. They feel contented even just by observing the days go by. These consumers are motivated to make purchases that are convenient, time-saving, minimalistic, easily accessed and require minimal efforts to use.

MEAL-PLANNING PACKAGE

- **Current market:** People aged 25-44 are the biggest purchasers in Woolworths seeking for diverse range of butchery, vegetables and dairy for home-made meals.

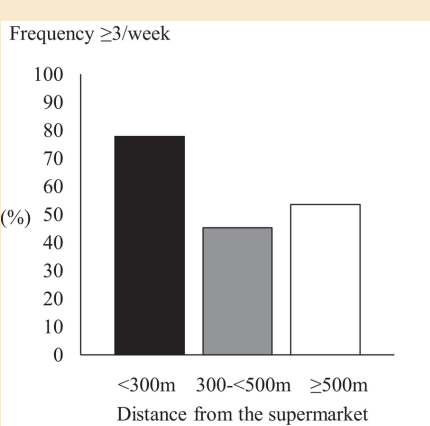

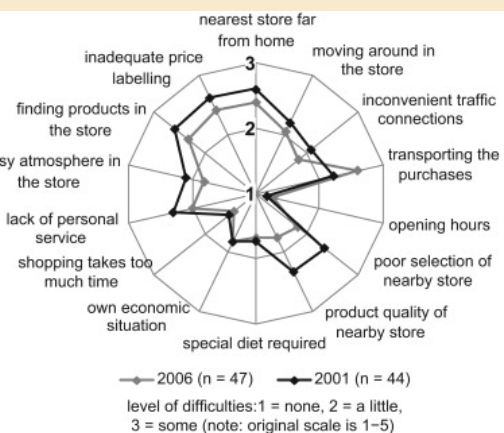

- **New customized product:** Groceries with sufficient nutritions are selected and made a whole package for weekly meal plan. This allows much more convenience and helps manage elders' diet more effectively

TARGET MARKETING STRATEGY

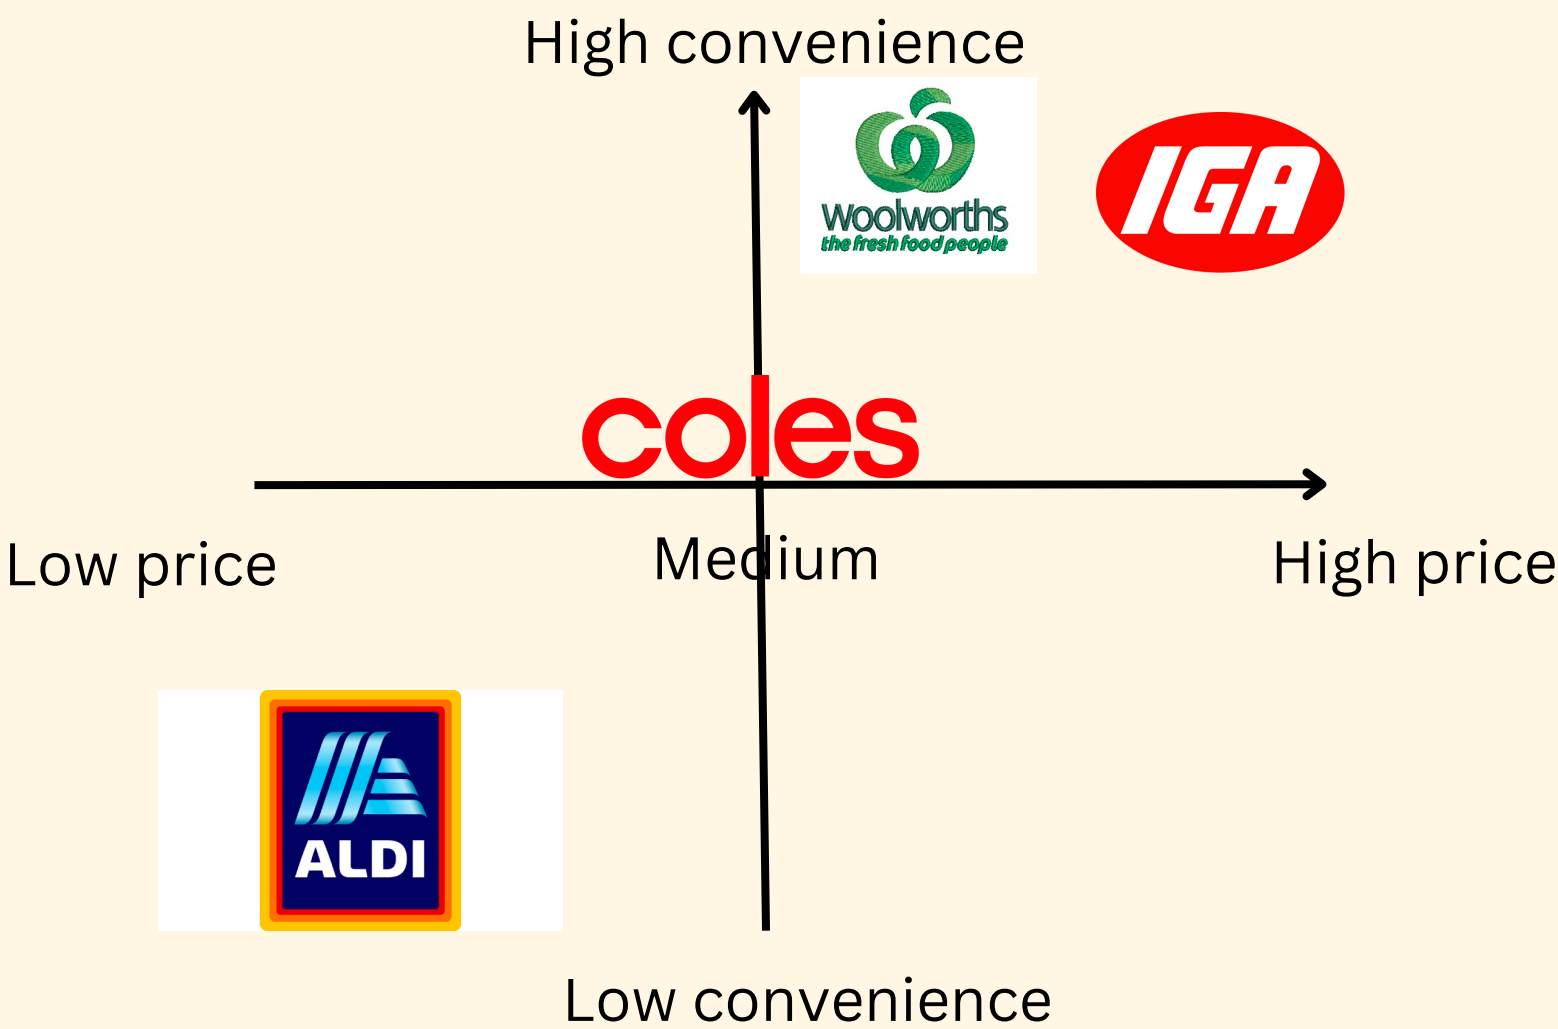

USING DIFFERENTIATED MARKETING STRATEGY MAY DRAW GREAT ATTENTION FROM THE “BASIC NEEDS” ELDERS’ GROUPS. ACCORDING TO JOURNAL OF RETAILING AND CONSUMER SERVICES, “NEAREST STORE FAR FROM HOME” AND “FINDING PRODUCTS IN THE STORE” WERE RATED HIGHLY AS DIFFICULTIES IN GROCERY SHOPPING BY ELDERS (FIGURE 1). ALSO, THERE IS AN ASSOCIATION BETWEEN DISTANCE, FREQUENCY OF VISITS (FIGURE 2) AND THE DISSATISFACTION OF ELDERS FOR QUALITY OF CURRENT MEAL DELIVERY SERVICES. UNDERSTANDING THESE UN-MET NEEDS, WITH ITS UBIQUITOUS PRESENCES, WOOLWORTHS COULD DEVELOP A MARKETING STRATEGY THAT PROVIDE CONVENIENCE FOR THIS NEW SEGMENT.

Theme	Sub-theme
A nice meal	A well-balanced diet
	Much appreciated meal
A meal for survival	Reduced food expenses
	Relief from hunger
	Lighten the burden of preparing a meal
	Intentional fasting
A meal-lack of consideration	Meal lacking in quantity and taste
	Wish to improve cooking methods and menu
Loss of taste-faint memories of delicious things	Loss of taste
	Loss of appetite
	Disordered feeding (poor teeth)
	Annoying meal
	Comfort food
Meal of silence	Take what is offered
	Thoughts of being the only person receiving a free meal
	Meal service for many
	Loss of will to live
	Absence of improvement of the service system

Differentiation and positioning

FOR THE “BASIC NEEDS” SEGMENT, CONVENIENCE AND SIMPLICITY ARE THEIR CELEBRATED VALUES, WHICH MEANS THAT THE ACCESSIBILITY AND EASY-TO-USE PRODUCTS WILL DRIVE THEM TO MAKE PURCHASING DECISIONS. BY CREATING AN IMAGE OF UBIQUITY, CONVENIENCE, AND TIME-SAVING, WOOLWORTHS COULD CREATE A DISTINGUISHED ADVANTAGE. “TO AGING AUSTRALIAN WHO SEEK CONVENIENT AND DECENT-QUALITY MEALS, WOOLWORTHS WILL PREPARE YOUR WEEKLY DIET IN A WHOLE NUTRITIOUS PACKAGE, HELPING YOU SAVE TIME FOR FOOD SELECTION AND COOKING” IS THE POSITIONING STATEMENT. THIS STATEMENT CLEARLY HIGHLIGHTS THE BRAND’S ABILITY TO PROVIDE SHORT-DISTANCE VISITS AND CUSTOMIZE PEOPLE’S DIET ON A DAY-TO-DAY BASIS. POSITIONING THE PRODUCT IN SUCH WAY, WOOLWORTHS APPEARS TO BE SUITABLE NOT JUST FOR THE YOUNG AND MIDDLE-AGED GROUPS WHO LOVES FRESH AND QUALITY FOOD, BUT ALSO THE AGING POPULATION AIMS FOR CONVENIENCE.
